the ERUSTAR licence plate frame.

UTSCH

The frame

The ERUSTAR of UTSCH offers simple handling and a convincing design. This license plate frame combines all current legal provisions with the potential to get your advertisement extensively “on the road”.

Up to 503 mm x 18 mm of advertising space offers a distinctive “greater” presence.

A robust locking system withstands the wear and tear of daily use and gives a secure fit.

Four times ahead:

Perfect handling!

Robust locking!

Eye-catching advertising!

Brilliant look!

The ERUSTAR carries your advertising

- on classic black (if desired with an elegant white line)
- or on sophisticated silver,
- with brilliant look
- to many people over a long period of time.

Four times a benefit for you!

Get the ERUSTAR license plate frame according to **your** wishes and conceptions.
