

Embossing and Hot Stamping Machine ERUT ECO 30

Space-saving, efficient and easy to handle.

The compact ERUT ECO 30 combines the embossing and hot-stamping of license plates in one machine.

This space-saving unit is easy to operate and offers maximum efficiency. It is an ideal economic solution for manufacturing vehicle license plates in small quantities.

The operating pressure can be continuously adjusted up to 170 bar, ensuring a high quality of embossing at a low level.
